1003.01 No building, garage, swimming pool, deck, driveway, sidewalk, parking lot, parking pad, pond, lake, fence, or sign shall be erected, moved, added to, structurally altered, nor shall any building or land be established or changed in use without a zoning permit therefore issued by the Zoning Inspector, provided that buildings that are One Hundred (100) square feet or less do not require a Zoning Permit for construction, although they must comply with the applicable provisions of this Zoning Code.

Authorized by: _____ Date of Issuance: _____
Zoning Inspector

Permit Costs: Residential Construction or Alterations \$50.00
Miscellaneous such as fences, decks, gazebos, pools..... \$25.00

It is the responsibility of the property owner and/or contractor to contact the Wayne County Building Department for information on Building Permits required for the project. Working without proper permits will result in a "Stop Work Order" placed on the property and may be subject to penalties.

This Permit shall become void at the expiration of one year after the date of issuance unless construction is started. Once started, the project must be completed in one year. If no construction is started within one year of date of Permit, a new Application and Permit are required.

Applicant must telephone Zoning Inspector at (330) 552-7159 to advise:
1) On date construction starts, that construction has started.
2) On date construction is completed, that construction is complete.
